- NO ADVERTISING COST TO RESTAURANTS
- BUILD LOYAL / LOCAL GUESTS
- FREE ADVERTISING IN OUR DIRECTORY

HOW DOES IT WORK ?

Local non-profits, schools and charities market the Free Drink Card to members and friends to raise much-needed funds for their organization. In return, they personally select their favorite restaurants (YOU!) and ask for your support in raising money. As the restaurateur, you provide free non-alcoholic beverages (non-premium coffee, tea, iced tea or soft drink) with the purchase of each FULL PRICED entree (up to 6 per check) -- at an average cost to you of only 10 cents per drink." It's this simple: If we can help fill seats in your restaurants, would you be willing to donate select NA beverages to help your community and local charities raise money
